Class Descriptions

LINEMASTER™ Class Title	Class Fee per Participant	Duration	Course Schedule	Course Description
Pigging Technology	\$1,250*	2 days of actual training and testing *optional 3rd day for Operator Qualification Certification	8:00am - 4:00pm	Designed to provide general knowledge of basics of pipeline pigging operations, many different types of pipeline pigs available, how to select proper pig for specific pigging operations, how to recognize and respond to abnormal operating conditions that may occur during a pigging operation, and how to launch & receive pigs in operating pipeline. *TDW LR50 Performance Verification for Launching and Receiving of Pigs is \$225.00 per student. (Note: if performed during a non-scheduled class, an additional \$500.00 will apply).
T-101	\$990	2 days	8:00am - 4:00pm	Participants will receive in-depth training on the use and maintenance of equipment.
Distribution Equipment Overview Hot Tapping & Plugging for Low Pressure Distribution Pipelines	\$1,980	3 ½ OR 4 days* *Instructional portion of class completes at noon on last day and remainder will be devoted to hands on repetitions.	<u>Day 1-3</u> 8:00am - 4:00pm <u>Day 4*</u> 8:00am - 4:00pm	Designed to cover Hot Tapping and plugging operating instructions, applications and maintenance. Training is conducted on the T-101 Drilling Machine, T-203 Tapping Machine or 660 Tapping Machine, SHORTSTOPP® II, SHORTSTOPP® 500 Plugging Machine and SHORTPLUG™ completion plug setting and retrieval included.
Transmission Equipment Overview Hot Tapping & Plugging for High Pressure Transmission Pipelines	\$1,980	4 or 4 ½ days * *Instructional portion of class completes at end of day 4. Day 5 will be devoted to hands on repetitions.	<u>Day 1-4</u> 8:00am - 4:00pm <u>Day 5*</u> 8:00am - 12:30pm	Hot Tapping and plugging operating instructions, applications and maintenance are covered. Equipment training for the T-101 Drilling Machine, 660 Tapping Machine, STOPPLE® Plugging Machine LOCK-O-RING®, LOCK-O-RING® Plus, and THREAD-O-RING™ plug setting and retrieval is included.
RES-Q® Composite Wrap for Pipelines and Process Piping	\$1,125	Up to 1 day	8:00am - 4:00pm	Students learn methodology for applying composite materials to damaged pipes in various geometry configurations including straight pipe, elbows, tees, etc. Basic composite and epoxy handling techniques are taught to help students work with these materials efficiently and effectively. Price includes certification and composite wrap kit. <ul style="list-style-type: none"> • Installer: Certified to install RES-Q® Composite Wraps on straight pipe & geometry pipe • Supervisor: Certified to observe installers in order to extend installer qualification (Optional)
LineMaster™ Performance Verification Written Test & Observation	\$1,650	2 days	8:00am - 4:00pm	<ul style="list-style-type: none"> • Performance Evaluations and knowledge-based testing are designed to assess an individual's skill level on specific covered tasks and require a participant to demonstrate their skill in a controlled, observable, and measurable manner and are administered by TDW's evaluators at the TDW Technology Center in Tulsa. • Operator Qualification is offered to those companies who recognize/ utilize TDW LineMaster™ as part of their OQ Plan on Hot Tapping and Plugging. • A TDW Certificate of Completion will be given to those who complete the performance evaluation(s) successfully. • In the interest of Quality Training and Safe Field Operations, classroom instruction and Operator Qualification Performance Verification (OQPV) are separated and will not be performed during the same week. • We strongly recommend that your Technicians, using their new classroom knowledge, return to the field to gain experience before attempting their OQPV testing.
Customer Site Training	\$100 *	Varies	Varies	Training classes can be conducted at the customer's location tailored specifically for the equipment and applications the customer utilizes. A suitable training facility and training fixtures are required. * \$2,450 per day of training, * \$2,450 per day of weekend travel, * Plus trainer(s) travel expenses
